James Maxwell, Printer.

1817.

DISTRICT OF PENNSYLVANIA, to wit:

BE IT REMEMBERED, that on the 1st day of July, in the forty-first year of the independence of the United States of America, A. D. 1817, Moses Thomas, of the said district, hath deposited in this office the title of a book, the right whereof he claims as proprietor, in the words following, to wit:

THE ANALECTIC MAGAZINE.

In conformity to the Act of Congress of the United States entitled, "An act for the encouragement of learning, by securing the copies of maps, charts, and books to the authors and proprietors of such copies during the times therein mentioned." And also to the act, entitled, "An act supplementary to an act entitled "An act for the encouragement of learning, by securing the copies of maps, charts, and books, to the authors and proprietors of such copies during the times therein mentioned, and extending the benefits thereof to the arts of designing, engraving, and etching historical and other prints."

DAVID CALDWELL,
*Clerk of the District of Pennsylvania.*

Wilson

ness, that we are condemned to the perusal of [illegible], contain nothing but a repetition and see-saw of stale 'cogitations,' and which have no other effect, than to rock all one's faculties to sleep. This is the sort of book which has been compiled by Dr. Jesse Torrey; a very well-intentioned personage, who, most assuredly, has the good of all mankind at heart,—but who, we must be permitted to think, has no more right to publish books, than we have to administer catharticks. The cause of humanity is not
